1.0 INTRODUCTION 1

2.0 PROJECT SETTING 5

3.0 PRECONTACT AND HISTORICAL CONTEXT 8
3.1 1830-1880±, Industrialization and Early Urbanization 9
3.2 1880-1940+, Urbanization and Early Suburban Urbanization 12
3.3 1940-Present, Commercialization and Suburbanization 20

4.0 RESEARCH DESIGN AND METHODS 27
4.1 Research Design 27
4.2 Methods 28
4.2.1 Field Methods 28
4.2.2 Lab Methods 28

5.0 FIELD RESULTS 29
5.1 APE South of the CSX Corridor/Northeast Quadrant 29
5.2 APE North of the CSX Corridor/Southwest Quadrant 35
5.2.1 Testing in Non-Site Area 38
5.2.2 7NC-E-185 - Testing in Site Area 38
5.3 The DiMatteo Site: 7NC-E-185 43

6.0 INTERPRETATIONS AND RECOMMENDATIONS 47

LIST OF ILLUSTRATIONS

Figures

1 Project Location Map....2
2 Area of Potential Effect and Project Construction Plans....3
3 1849 Rea and Price Map of New Castle County....10
4 1868 Pomeroy and Beers Atlas of New Castle County....11
5 1881 Hopkins Map of New Castle County....13
6 1893 Baist Atlas of New Castle County....15
7 1904 USGS Map....16
8 1937 Aerial Map....19
9 1953 USGS Map....22
10 1961 Aerial Map....24
11 1968 Aerial Map....25
12 Representative Shovel Test Profiles....31

Photographs

1 View of the southern section of the APE, facing northwest....6
2 View of the north end of the northern section of the APE, facing southwest....6
3 View showing northeast quadrant test area, facing southeast....30
4 View showing northeast quadrant test area, facing north....30
5 View of possible posthole feature in STP 5 in the northeast quadrant....34
6 View showing location of STP 6 in the northeast quadrant....34
7 View of southwest quadrant test area in residential yard, facing southwest....36
8 View of southwest quadrant test area in tall grass, facing southwest....36
9 View of southwest quadrant test area in light woods, facing southwest....37
10 View of CSX railroad trench, facing southwest....37
11 View of STP 1 in the southeast quadrant, facing south....40
12 View of STP 17 location at corner of Poindexter dwelling, facing northeast....42
13 View of lawn chair frame lying on sheet metal in STP 18, facing northeast....42

Tables

1 Previously Reported Archeological Sites within a 2-mile Radius of the APE....8
