Phase	Area	Block	STP/TU	Coordinates	Stratum	Level	Depth 1 (cmbs/cmbd)	Depth 2 (cmbs/cmbd)	Feature #	Bag #	count	Artifacts
I	1	1-M					Surface Collection			118	1	jasper primary flake w/cortex
											5	FCR
											1	blue-glazed earthenware, rim fragment
											4	oyster shell
											1	window glass
											1	cut nail
											1	slag
											4	brick
I	1	1-N					Surface Collection			117	2	Brick fragments, glazed
											6	oyster shell
											1	coal
											2	whiteware
											1	redware; unglazed
											1	colorless bottle glass
											1	brick fragment, unglazed
											3	FCR
											2	FCR
											1	possible pebble tool, shows abrading, possible hammerstone
											1	possible quartz core
											1	quartz tertiary flake
											3	quartz shatter
I	1	1-O					Surface Collection			008	1	whiteware; blue transfer-printed stylized designed interior
											1	redware rim; lead-glazed interior
											1	colorless vessel glass; body fragment, impressed column design
											1	brick
											1	ceramic sewer pipe fragment
I	1	2-A					Surface Collection			009	1	olive bottle glass; base
											1	FCR
											1	jasper tested cobble
											1	colorless vessel glass
I	1	2-B					Surface Collection			311	1	argillite secondary flake
											1	jasper scraper
											1	coal
I	1	2-C					Surface Collection			010	2	redware; lead-glazed interior/exterior
											1	argillite secondary flake
											1	whiteware; partial blue annular design interior
											1	whiteware
											3	colorless bottle glass; body/base fragments, one w/embossed lettering "..RD.."
											1	window glass
											1	redware; clear lead-glazed interior/exterior
											1	oyster shell
I	1	2-D					Surface Collection			011	2	FCR
											2	FCR
											1	redware; lead-glazed interior/exterior
											1	whiteware
											1	pearlware; blue painted design
I	1	2-E					Surface Collection			012	3	FCR
											2	chert flakes; tertiary
											2	redware; eroded
											1	olive bottle glass
