Updated State Reviewer Map

Effective Date:

June 11, 2018

Notice

In an effort to distribute work more evenly among our review staff and maintain a high level of customer service, we have made some staff moves. The new Statewide Reviewers Map is now posted on the DevCoord Website and the Meeting Request Form has been updated.

Please note that the review areas near the incorporated Towns of Smyrna and Milford are no longer split along the County boundary. The entire town will be the responsibility of one reviewer.

As always if you have a question or concern regarding a project or a future project, please feel free to call the Reviewer for that area.

The new map is located [here](#), under Quick Links.
