Delaware Avenue (**November 2022**)
Capital City Trail Phase III, South State Street to US13 (**September 2023**)

PROJECTS IN DESIGN/PLANNING

Contract No. T201769009; Double Bridges Road Multi-Use Trail – Phase 1

Project Description

Design and construction of a 10' wide multi-use trail facility along Double Bridges Road from Muddy Neck Road to Parker House Road.

Project Notes

Addressing preliminary comments.

Project Schedule (Subject to change)

- Semi-final Plan is scheduled for February 2024
- Final ROW Plan is scheduled for July 2024
- Final Construction Plan is scheduled July 2024
- PS&E Submittal is scheduled October 2024

Contract No. T202101501; Augustine Cut Off Bicycle Improvements

Project Description

Pathway or other bicycle/ pedestrian improvements along Augustine Cut Off from W Park Drive to Loring Avenue.

Project Notes

Feasibility study was conducted by the City of Wilmington from a Delaware Bicycle Council Grant (2017). A public workshop was not held as part of the feasibility study. DelDOT held a public workshop in March 2022. Next step is to review the feedback and begin development and considering feasibility of concept alternatives. Anticipate construction in Fall 2024

Project Schedule (Subject to change)

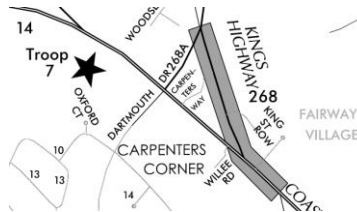

- TBD

=====

Contract No. TBD; Coastal Highway Intersection Improvements

Project Description

Due to the bicycle accidents at the Kings Highway/SR 1 intersection, this project will be reconfiguring the SR 1 NB right turn lane, which is anticipated to encourage the SR 1 NB right turning vehicles to reduce their speed to nearly a stop to comfortably make the turn onto Kings Highway. This should enhance the safety and awareness between vehicles turning onto Kings Highway and the high-volume bicyclists crossing the intersection.

Project Notes

The scope of the SR1/ Kings Highway location is still moving forward but it will no longer be included under T202112901 and are looking for another program to deliver the improvements whether it be as part of a Pave & Rehab contract or another PD South contract.

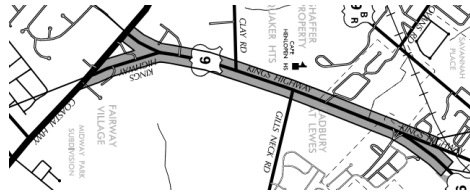

Project Schedule (Subject to change)

- Final Construction Plan is scheduled for Summer 2024

Contract No. T202212901; US 9, Kings Highway, Dartmouth Drive to Freeman Highway

Project Description

This project consists of widening Kings Highway from Dartmouth Drive to the split with Freeman Highway. The project includes intersection reconstruction, multimodal upgrades (shared use path and sidewalks) throughout the project limits, and integration of the Kings Highway and Gills Neck Road Master Plan.

Project Notes

Public workshop being planned for February 2024.

Project Schedule (Subject to change)

TBD

Contract No. T202201501; School Lane Pathway

Project Description

The project proposes a 2,150-foot bike trail from Frenchtown Road to School Lane within the city limits of New Castle. The path will act as a connector route to the Jack Markell Trail.

Project Notes

Contract advertised. Project construction anticipated to begin in Spring 2024

Contract No. T202201601; Senator Bikeway, Phase 3; Mifflin Rod. to Dover High School

Project Description

This project will include the design and construction of a bike/ped pathway along RT8 from Mifflin Road to Dover High School. The pathway will be an extension of the Senator Bikeway and make the connection to Dover High School. The pathway is proposed to be 8' wide. This will improve safety and mobility for bike and peds along corridor.

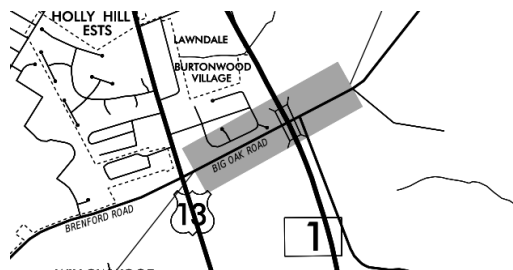

Project Notes

Contract awarded. Project construction anticipated to begin in Spring 2024.
