

DelDOT – Development Coordination

Email Blast

Subject:

2021 Traffic Vehicle Volume Summary (Traffic Summary)

Effective Date:

June 1, 2022

Notice

The Development Coordination Section would like to inform all users that the [Delaware Vehicle Volume Summary 2021 \(Traffic Summary\)](#) has become available online and the information therein is available through the [Gateway application](#).

As it has been determined that driving patterns for the state have been restored to their pre-pandemic state, the **2021** traffic counts (Annual Average Daily Traffic volumes for road segments) may be used immediately and **will** be required for **all** Trip Generation Diagrams, Traffic Impact Studies (TIS), and Traffic Operational Analyses (TOA) for which a TIS/TOA Scoping Meeting or Pre-Submittal Meeting request has **not** been submitted, effective as of June 1, 2022.

Questions regarding the use of the new edition may be directed to Development Coordination, Traffic Analysis Section at (302) 760-2122.
