

## Five Points Transportation Study Online Public Workshops

The Delaware Department of Transportation (DelDOT) and Sussex County invite you to participate in our annual public workshops for the Five Points Transportation Study. Come learn about specific transportation improvements and progress made in 2020, as well as study priorities and work that will continue in 2021.

### Online Public Workshops with the Study Team

Each public workshop will last about 60 minutes and will include both a live presentation and a moderated question and answer period. The same presentation will be given at each workshop. **Please attend the one that best fits your schedule.** There is no need to attend both events.

The workshops will be hosted on **Zoom**. Once you have registered, you will receive a separate email with log-in/call-in instructions for the workshops you selected.
