MEMORANDUM

TO: All Users of the Delaware Manual on Traffic Control Devices

VIA: Mark Luszcz, P.E., PTOE
Chief Traffic Engineer

FROM: Adam Weiser, P.E., PTOE
Safety Programs Manager

DATE: November 13, 2015

SUBJECT: Acceptable Flagger Certification

Section 6E.01 of the Delaware Manual on Uniform Traffic Control Devices (MUTCD) provides the following standard statement:

“A flagger shall be a person who provides TTC. All flaggers, except for emergency personnel and law enforcement officers, shall be certified by a DelDOT-recognized flagger certification program. All flaggers, except for emergency personnel and law enforcement officers, shall be required to carry a flagger certification card and photo identification on their person at all times.”

The purpose of this memorandum is to define the DelDOT-recognized flagger certification program. As of the above date, the following are DelDOT-recognized flagger certification programs:

- American Traffic Safety Services Association (ATSSA) Flagger Certification Program – In-classroom Training
- American Traffic Safety Services Association (ATSSA) Flagger Certification Program – Online Flagger Training Program
- OnlineFlagger.com – Online ATSSA Flagger Training Program
- Laborer’s International Union of North America (LIUNA) Work Zone Safety Program, provided by the Construction Craft Laborers Training and Apprenticeship Fund of New Jersey and Delaware – includes flagger certification and Traffic Control Supervisor certification

Only flaggers with flagger certifications for Delaware from these programs shall provide flagging operations on state maintained roadways for construction, maintenance and/or utility projects.
