Pursuant to the authority provided by 17 Del.C. §§132(e), 507, and 508, as well as 29 Del.C. §8404(8), the Delaware Department of Transportation (DelDOT) adopted the Development Coordination Manual. The Department, through its Division of Planning and Public Policy, seeks to adopt general revisions to its existing regulations, the Development Coordination Manual, to address procedural changes, add or modify technical requirements and clarify and amend design criteria. These collective changes are both technical and administrative in nature and serve in part to clarify the intent of the Department as enacted through these regulations.

DelDOT will take written comments on these proposed general revisions to Section 2309 of Title 2, Delaware Administrative Code, from March 1, 2018 through April 2, 2018. The public may submit their comments to:
