## Email Blast

**Subject:**

Construction/Entrance Plans General Notes Update

**Effective Date:**

March 14, 2022

*Notice*

Development Coordination will have some important information to share over the next few weeks, so be on the lookout for more updates to come!

The first update we want to share is that the [DelDOT's Construction/Entrance Plans: General Notes](#) has been revised to reflect published documents and Interim Guidance updates:

1. The following notes have been updated to reflect the following published documents Pedestrian Accessibility Standards (PAS) Manual, Standard Specifications for Road and Bridge Construction, and the Standard Construction Details:

*#2 "As of the issuance of the Notice to Proceed (NTP) all materials and workmanship within the State of Delaware right-of-way shall be in accordance with current State of Delaware Department of Transportation Standard Specifications for Road and Bridge Construction, Supplemental Specifications, Standard Construction Details, Special Provisions, PAS Manual and Design Guidance Memorandums."*

*#8 "As of the issuance of the Notice to Proceed (NTP), all signing, striping, and maintenance of traffic is the contractor's responsibility and shall follow the guidelines shown in the Delaware Manual on Uniform Traffic Control Devices (Delaware MUTCD) for Streets and Highways. The Developer or property owners shall be responsible for maintenance of all signs installed as part of this project."*

2. The following note has been updated to reflect the [Interim Guidance](#) to the Delaware Manual on Uniform Traffic Control Devices (MUTCD):

*#21 "A double yellow centerline will be required along the paved portion of Route XXX. Striping of the centerline shall be 6-inch wide line separated by a 6-inch space."*

All construction plans currently in review that have NOT been issued a Final Approval letter, will be required to include the updated guidance.
