

TABLE OF CONTENTS

Abstract	i
List of Figures	iii
List of Plates	iv
I. INTRODUCTION AND PROJECT DESCRIPTION	1.1
II. METHODS	2.1
Historical Research	2.1
Fieldwork	2.1
Laboratory Processing and Analysis	2.2
III. HISTORIC CONTEXT	3.1
General History of Sussex County and Dagsboro Hundred	3.1
History of Betts Pond and the Warren Mill	3.2
IV. RESULTS AND CONCLUSIONS	4.1
Bridge 527	4.1
Bridge 526	4.10
Conclusions	4.15
REFERENCES	R.1
Appendix A: Artifact Inventory	
Appendix B: Resumes of Key Personnel	

LIST OF FIGURES

Figure		Page
1	Project Area Location Map	1.2
2	Area of Potential Effects	1.3
3	1840 Survey Map of Betts Pond Mill Site	3.4
4	1868 Map Showing B. Burton's Saw and Gristmills	3.5
5	1917 Map of Project Area and Vicinity	3.10
6	1938 Map of Project Area and Vicinity	3.11
7	Locations of Test Units and Features Within Cofferdam for Bridge 527	4.2
8	Plan View of Feature 1 (Brick Foundation) and Locations of Test Units 2 and 3	4.5
9	Plan View of Feature 3	4.12

LIST OF PLATES

Plate		Page
1	Aerial View of Project Area	3.3
2	Wilford Warren in 1964.....	3.7
3	Warren Mill and Garage in 1949, View Looking North.....	3.7
4	Residences of Ralph and Betty Warren (in Background) and Rowland Warren (to the Left)	3.9
5	Bridge 527, Asphalt Removed (State Route 326), Showing Sand and Concrete Road Bed.	4.3
6	Northeast End of Bridge 527, View Looking Southwest	4.3
7	Bridge 527, Log, Stone, and Sand Base for Spillway Floor, View Looking Northeast.....	4.4
8	Bridge 527, Southwest Corner of Feature 1 (Brick Wall), View Looking Southwest.....	4.4
9	Bridge 527, Feature 1 (Brick Wall), View Looking North.....	4.6
10	Bridge 527, Retaining Wall (Feature 2), View Looking Northwest.....	4.9
11	Bridge 527, Feature 2 in Test Unit 1, View Looking South.....	4.9
12	Bridge 527, Feature 3, View Looking Northeast.....	4.11
13	Bridge 527, Feature 3 (Cofferdam Sheeting in Background), View Looking East	4.11
14	Bridge 527, Feature 3, Joist Supports for Floor Boards, View Looking Northeast	4.13
15	Removal of Bridge 526 Decking and Culvert Timber Wing Walls, View Looking North.....	4.13
16	Bridge 526, Timber Spill Gate and Wing Walls, View Looking Northeast.....	4.14
17	Warren Mill Showing Concrete Headrace (Center), Used to Direct Water to the Turbine (Right). View Looking South.....	4.14
