

APPENDIX C:
QUALIFICATIONS OF
RESEARCHERS

Michael Lenert
Principal Investigator/Archaeologist

Mr. Lenert has the education, training, and experience to serve as Principal Investigator on historic and precontact archaeological sites in the Mid-Atlantic Region. He has conducted archaeological investigations and original research in British Columbia and has experience with the identification, evaluation, and mitigation-level cultural resource management projects in Delaware, Pennsylvania, New Jersey, Maryland, New York, and Vermont. His primary interests lie in precontact archaeology and issues of regional interaction and social organization. His role as Principal Investigator includes managing Phase I surveys, Phase II investigations, and Phase III data recoveries, and is frequently an author of resulting technical reports. Over his 17 years of experience, Mr. Lenert has been responsible for tasks that have included the development and implementation of research designs, supervision of field crews, historic and prehistoric artifact cataloging, and archaeology lab manager. Mr. Lenert meets the National Park Service requirements for Professional Archaeologist as specified in 36 CFR Part 61.

Education

- 2007 Ph.D., Anthropology, University of California, Los Angeles
- 2000 M.A., Anthropology, University of Montana
- 1990 B.A., Anthropology and Geography, University of Delaware

Professional Experience

- 2007 – Present A.D. Marble & Company *Principal Investigator / Archaeologist*
- 1993 – 1998 Hunter Research, Inc. *Archaeologist*
- 1990 – 1993 U of DE, Center for Archaeological Research *Archaeologist*

Educational Experience

- 2004-2006 Maccallum and Katz Site Investigations, B.C., Canada *Principal Investigator*
- 2002-2006 Fraser Valley Archaeological Project, B.C., Canada *Research Assistant*
- 1999-2003 Keatley Creek and Bridge River Archaeological Projects *Research Assistant*

Professional Affiliations

Society for American Archaeology

David L. Weinberg **Archaeologist**

Mr. Weinberg is experienced in directing and conducting all phases and aspects of archaeological excavations, including research, laboratory techniques, processing and curation. He has experience in soil characterization and site cartography. He is skilled in field, studio and architectural photography. Mr. Weinberg has authored and co-authored cultural resources management reports for municipal, state and federal agencies as well as for private sector undertakings. These projects have included highway planning, construction and expansion, bridge replacements, wetland mitigation, reservoir planning, residential and commercial development, and wastewater treatment systems construction. Mr. Weinberg is also experienced with the preparation of NHPA, Section 106, and ARPA documents. Areas of special interest include nineteenth-century burial practices and historic ceramics analysis.

Education

1984 B.A., Anthropology/Archaeology, Geology (minor), University of Delaware

Professional Experience

1997 - Present	A.D. Marble & Company, Inc.	<i>Archaeologist</i>
1990 - 1997	MAAR Associates, Inc.	<i>Project Manager/Research Associate/Supervisor</i>
1987 - 1990	John Milner Associates (JMA)	<i>Supervisor/Cartographer</i>
1987	WAPORA, Inc.	<i>Archaeologist</i>
1984 - 1986	Thunderbird Archaeological Associates	<i>Archaeologist</i>
1985	Louis Berger & Associates	<i>Cartographer/Archaeologist</i>
1982	State of DE, Dept. of Natural Resources & Environmental Control	<i>Archaeologist</i>

Certifications

2002 OSHA Hazardous Waste Operations (8 hour refresher)
1997 OSHA Hazardous Waste Operations (40 hour)
1997 OSHA Hazardous Waste Operations Supervisor (8 hour)

Professional Affiliations

Archaeological Society of New Jersey
Eastern States Archaeological Federation
Middle Atlantic Archaeological Conference
Historical Society of Chester County

Christine D. Gill
Archaeological Laboratory Director /Archaeologist

Mrs. Gill is the company laboratory director and has over 11 years of experience in Chemistry, Conservation Science, Archaeology, and Geoarchaeology. She has participated in cultural resources studies, as well as privately funded archaeological investigations. Mrs. Gill has managed all phases of artifact processing, identification, classification and analysis for Phase I Archaeological Surveys, Phase II Archaeological Evaluations, and Phase III Archaeological Data Recovery in Pennsylvania, New Jersey, Delaware, Maryland, New York, New Hampshire, for The National Park Service, and for the U.S. Department of Agriculture. She has directed chemical studies on architectural materials and highly degraded archeological artifacts. She has taught workshops for public outreach programs directed to both school-age children and adults. Mrs. Gill has conducted background research, literature searches, and chain-of-title searches for a variety of archaeological, architectural and historic projects. She has done comprehensive work on a War of 1812 battlefield archaeological study with terrestrial and underwater components, and has excavated battlefield and encampment sites involving the American Revolution and Civil Wars. She has specialized training in field recovery of extremely degraded or fragile objects, emergency preservation procedures and specialized handling and housing curation requirements.

Education

1996 B.S., Chemistry, Rochester Institute of Technology

Specialized Training

2000 Curation, Conservation and Collections Management Summer Course, Maryland Archaeological Conservation Laboratory

Professional Experience

2004 – Present	A.D. Marble & Company	<i>Archaeological Lab Director/ Archaeologist</i>
2003 - 2004	General Motors Acceptance Corporation	<i>Credit Administrator</i>
2002 - 2003	LaPorta & Associates Geologic Consulting, LLC	<i>Archaeologist</i>
2002 - 2003	Independent Contractor for Historic Elk Landing, Inc.	<i>Laboratory Director</i>
2001 - 2002	Bristol Myers-Squibb Field Sales Service Center	<i>Administrative Assistant</i>
1998 - 2001	Cultural Heritage Research Services, Inc.	<i>Assistant Laboratory Director, Acting Laboratory Director, Field Technician</i>

Publications

2002 *“Phase I Archaeological Survey and Limited Phase II Testing at Historic Elk Landing, Elkton, Maryland.”*, Report for The Historic Elk Landing Foundation, Inc. and The Maryland Historic Trust. Dwayne W. Pickett, Keith Heinrich and Christine Groben

1994 Listed in the New Jersey Architectural Twentieth Century Materials database for material analysis of “Zenitherm”, an early acoustic building material.

Presentations:

2003 The Society for Historical Archaeology Annual Meeting: Providence, RI, Author and Presenter of Archaeological research in a dedicated session for Historic Elk Landing

2001 The Society for Historical Archaeology Annual Meeting: Long Beach, CA, Presenter for the Maryland Historic Trust Underwater Archaeology “War of 1812 Survey”

1995 25th Annual North East Regional Meeting of the American Chemical Society: Rochester, NY, Author and Presenter of Material Research & Testing for The Memorial Art Gallery and RIT

Professional Affiliations

The Society for Historic Archaeology

The Chemical Heritage Foundation

The History of Chemistry (HIST), division of the American Chemical Society

The Archaeological Science, division of the American Chemical Society

Catherine M. Dluzak
Architectural Historian

Ms. Dluzak is an architectural historian with over seven years of experience in cultural resources management. She has extensive experience in conducting historic resources surveys and project scoping surveys and preparing determination of eligibility reports, resource survey forms, historic contexts, assessment of effects documents, Area of Potential Effect reports, and state-level Historic American Buildings Survey/Historic American Engineering Record (HABS/HAER) documentation. In addition, Ms. Dluzak has assisted in the preparation of National Register nominations for the U.S. General Services Administration. She has worked throughout the Mid-Atlantic region surveying a wide variety of property types, including residential, commercial, agricultural, industrial, institutional, and utilitarian resources. Ms. Dluzak has also worked with the Federal Emergency Management Agency's (FEMA) Public Assistance program in the state of Louisiana preparing determinations of eligibility and assessment of effects for Section 106 compliance. Ms. Dluzak also has experience managing a downtown revitalization organization utilizing guidelines developed by the National Trust for Historic Preservation's National Main Street Center. Ms. Dluzak meets the National Park Service's professional requirements as specified in 36 CFR Part 61.

Education

1999 M.S., Ball State University, Historic Preservation

1997 B.A., University of Dayton, History

Professional Experience

March 2005 – Present	A.D. Marble & Company	<i>Architectural Historian</i>
September 2007 – March 2008	FEMA	<i>Historic Preservation Specialist</i>
October 2000 – February 2005	Cultural Heritage Research Services, Inc.	<i>Historian</i>
October 1999 – June 2000	Bedford Revitalization, Inc.	<i>Downtown Coordinator</i>

Educational Experience

Summers 1998 and 1999	National Park Service, National Capital Region	<i>Archival Intern</i>
Fall 1998 – Spring 1999	Indiana Main Street Program	<i>Library Intern</i>

Justin D. Bracken
Archaeological Field Technician

Mr. Bracken is an archaeological field technician and has over one year of experience in archaeology. He has participated in cultural resources studies as well as privately funded archaeological investigations. Mr. Bracken has experience with various phases of artifact recovery, processing, and curation for Phase I Archaeological Surveys, Phase II Archaeological Evaluations, and Phase III Archaeological Data Recovery in Pennsylvania, New Jersey, Delaware, Maryland, and for The National Park Service in Virginia. His field work experience has included excavation of urban sites along with several highway widening/construction projects, and the sites have featured precontact as well as historical artifacts and features. Additionally, his lab experience includes cleaning and labeling of artifacts as well as artifact photography and preparation of artifacts and paperwork for PHMC curation.

Education

2006 B.A., Anthropology-Archaeology Concentration, University of Pennsylvania

2006 B.A., Philosophy, University of Pennsylvania

Professional Experience

2007 – Present A.D. Marble & Company *Archaeological Field Technician*

2006 - 2007 ALSGEN, Inc. *Associate Scientist*

Conferences/Training Attended

2008 Middle Atlantic Archaeological Conference – Ocean City, MD

Prepared By:
A.D. Marble & Company
