

APPENDIX A

QUALIFICATIONS

Brian Crane, PhD, Cultural Resources Division Director and Project Manager

- B.A. 1986, Anthropology, University of Pennsylvania, Philadelphia
- M.A. 1987, American Civilization, University of Pennsylvania
- Ph.D. 1993, American Civilization, Historical Archaeology, University of Pennsylvania

Dr. Crane is a Senior Project Manager and the Cultural Resources Division Director of Versar. He served as the Project Manager for this project. Dr. Crane has 16 years of experience in all phases of historic and prehistoric archaeological projects in the United States, Caribbean and Central America, with academic projects, and projects in compliance with Section 106 of the National Historic Preservation Act of 1966 and other federal, state and local legislation. Responsibilities have included field supervision, historic research, report writing, and laboratory work. Areas of expertise include historical archaeology, urban archaeology, and African American archaeology.

Mackenzie Caldwell Rohm, Archaeologist and Principal Investigator

- B.A. 2000, Anthropology/Archaeology and Sociology, Washington and Lee University, Lexington, Virginia
- M.A. 2008, Anthropology, Southern Illinois University, Carbondale, Illinois

Ms. Rohm is an Archaeologist with Versar and served as Principal Investigator for this project. She has 10 years of experience as an archaeologist in the Mid-West, Mid-Atlantic, and Southwest regions of the United States. She has experience in prehistoric and historical survey, testing, and data recovery projects in academic settings and in compliance with Sections 106 and 110 of the National Historic Preservation Act of 1966, for a variety of Federal and state agencies and local jurisdictions. Responsibilities have included project design and implementation, site interpretation, field and laboratory supervision, artifact analysis, archival research, report writing, and public outreach.

Laurie Paonessa, M.A., Historian/ Archaeologist

- B.S., 1988, Anthropology, James Madison University
- M.A., 1990, Anthropology/Historic Archaeology, College of William and Mary

Ms. Paonessa has 21 years of experience in research related to prehistoric and historical archaeological projects in the United States and the Caribbean. She has directed numerous prehistoric and historical survey, testing, and data recovery projects in compliance with Sections 106 and 110 of the National Historic Preservation Act of 1966, as amended. Specific areas of expertise include archival project design; design and direction of programs for the documentation of archaeological features, gravestones, and artifacts; creating chains of title from primary documents and writing historic contexts; field and laboratory supervision, artifact analysis, site interpretation, public outreach, exhibit design and report writing.

Carter Shields, Laboratory Supervisor

- B.A. 1988, Anthropology, Tulane University, New Orleans, Louisiana
- Diploma (3ème Degré) in French Studies, 1987, Université de Strasbourg, France

Ms. Shields supervised laboratory activities for this project. Ms. Shields has over 23 years of experience doing both archaeological field and laboratory work on prehistoric and historical sites in compliance with Section 106 of the National Historic Preservation Act of 1966, as amended, as well as other federal, state, and local legislation. Project locations include the Mid-Atlantic, Northeastern, Southeastern, and Midwestern regions of the United States and the Caribbean. She has over 20 years of experience in archaeological artifact analysis, laboratory supervision, and database management.
