

TABLE OF CONTENTS

Table of Contents	<i>i</i>
List of Illustrations	<i>ii</i>
1.0 INTRODUCTION	1
2.0 ENVIRONMENTAL SETTING	6
3.0 RESEARCH DESIGN AND METHODOLOGY	10
3.1 Research Design	10
3.2 Methodologies	10
3.2.1 Dover Air Force Base	11
3.2.2 SR 1, SR 9, and Kitts Hummock Road Intersection Infield	11
3.2.3 Tilcon Property	12
4.0 FIELD RESULTS	16
4.1 Dover Air Force Base	16
4.2 SR 1, SR 9, and Kitts Hummock Road Intersection Infield	17
4.3 Tilcon Property	20
4.3.1 Surface Collection	20
4.3.2 Test Units	24
5.0 INTERPRETATIONS AND RECOMMENDATIONS	30

Attachments

Attachment A: Phase IB Archaeological Survey Base Map

LIST OF ILLUSTRATIONS

Figures

1.	Project Location Map	2
2.	Preferred Alternate and Area of Potential Effects (APE).....	3
3.	1961 Aerial Photograph of Project Area	18
4.	Prehistoric Artifact Distribution Map.....	21
5.	Historic Ceramic Artifact Distribution Map.....	25
6.	Test Unit 1, Block L-4, North Wall Profile.....	27

Photographs

1.	Grassy landscape in Dover Air Force Base, view looking southwest towards SR 1 (March 2004)	7
2.	Plowed agricultural setting in Tilcon property, view looking southeast (March 2004).....	7
3.	Landscaped intersection infields between SR 1, SR 9, and Kitts Hummock Road, view looking southeast (March 2004)	8
4.	Area of Potential Effects (APE) in Tilcon property and impacts from adjacent borrow pit excavations, view looking northwest (March 2004).....	13
5.	Prehistoric artifacts recovered from the Tilcon property surface collection of the APE.....	22
6.	Test Unit 1, Block L-9, North Wall Profile (April 2004).....	28

Tables

1.	Prehistoric Artifacts: Tilcon Property Surface Collection.....	20
2.	Historic Artifacts: Tilcon Property Surface Collection	23
3.	Historic Ceramic Assemblage: Tilcon Property Surface Collection	24
