

**APPENDIX B:
QUALIFICATIONS OF RESEARCHERS**

Michael Lenert, Ph.D.
Principal Investigator/Archaeologist

Dr. Lenert has the education, training, and experience to serve as Principal Investigator on historic and precontact archaeological sites in the Mid-Atlantic Region. He has conducted archaeological investigations and original research in British Columbia and has experience with the identification, evaluation, and mitigation-level cultural resource management projects in Delaware, Pennsylvania, New Jersey, Maryland, New York, and Vermont. His primary interests lie in precontact archaeology and issues of regional interaction and social organization. His role as Principal Investigator includes managing Phase I surveys, Phase II investigations, and Phase III data recoveries, and he is frequently an author of resulting technical reports. Over his 19 years of experience, Dr. Lenert has been responsible for tasks that have included the development and implementation of research designs, supervision of field crews, historic and prehistoric artifact cataloging, and archaeology lab manager. Dr. Lenert meets the National Park Service requirements for Professional Archaeologist as specified in 36 CFR Part 61.
