List of Figures	v
List of Tables	vi
Introduction	1
Environmental Setting	1
Regional Prehistory	7
Regional History	16
Existing Data Base	32
Prehistoric Archaeological Sites	37
Historic Archaeological Sites	37
Inventoried Historic Standing Structures	38
Potential Standing Structures	38
Potential Historic Archaeological Sites	39
Cultural Context and Data Quality	39
Prehistoric Sites	39
Historic Resources	44
Predictive Models	59
Prehistoric Sites	60
Historic Sites	71
1630-1730	71
1730-1770	75
Later Settlement	75
Management Considerations and Recommendations	83
Prehistoric Site Significance	83
Historic Site Significance	92
Management Units	92
Management Strategies and Recommendations	97

	Page
Cultural Resources of Route 301 Corridor Options	99
Archaeological Assessment of Corridor Options	101
Known and Potential Cultural Resources	101
Significant Cultural Resources	101
Prehistoric Predictive Modeling Results	102
Historic Predictive Modeling Results	104
Summary and Conclusions	104
References Cited	106
Personnel	120
Appendices	122
I: Prehistoric Archaeological Site Inventory	122
II: Historic Archaeological Site Inventory	127
III: BAHF Standing Structures Inventory	130
IV: Potential Standing Structures	143
V: Potential Historic Archaeological Sites	151
VI: Corridor Segment Data Listings	162
Attachments	
I: Archaeological Site Locations	
II: Inventoried Standing Structure Locations	
III: Potential Standing Structure Locations	
IV: Potential Historic Site Locations	
V: Prehistoric Predictive Zones	
VI: Management Zones
