

Dover/Kent County MPO Regional Bike Plan

Public Workshop

When: 4-7 p.m., Wednesday, Sept. 21

Where: Dover Public Library, Meeting Room A

Purpose: To identify bicycling needs from the community

The Dover/Kent County MPO is updating its 2011 Regional Bicycle Plan for central Delaware. In this early stage of the revision, the MPO and its working group would like to hear from community members where there are needs and gaps as they search for ways to enhance bicycle travel in Kent County.

Come with your recommendations and opinions, and the MPO will provide maps of the existing bike network. See you there!
