

CONSTRUCTION PHASING

Phase 3 Construction
Summer 2007 To Winter 2007

Legend

- Phase 1 Construction
- Phase 2 Construction
- Phase 3 Construction

Phase 2 Construction
Fall 2006 to Summer 2007

Phase 1 Construction
Spring 2006 To Fall 2006

Notes

- Advanced utility relocations to allow for less disruption during construction.
- Speed reduction to 35 MPH during construction activities.
- Minimum 10' lane widths during construction unless existing pavement is being utilized.
- Local access to all side streets and residences will be maintained during construction.
- No nighttime construction activities will be permitted.
- Maintained through traffic on Bunker Hill Road, Churchtown Road and Bethel Church Road throughout construction.
