PUBLIC WORKSHOP RESCHEDULED US 301 Project Development

Project #T200511301
Federal # 00NH2006(018)

Tuesday, September 6, 2011
Middletown Fire Hall
27 W. Green Street, Middletown, DE

The Workshop will be held from 3:00 PM to 8:00 PM.

A brief presentation will be made at 3:15 PM and repeated at 4:15 PM, 5:15 PM, 6:15 PM, and 7:15 PM, during the Workshop.

The Delaware Department of Transportation (DelDOT), the Federal Highway Administration (FHWA) and the US Army Corps of Engineers (Corps) announce a rescheduled Public Workshop for the US 301 Project Development initiative. The Workshop will be held on September 6, 2011 from 3:00 PM to 8:00 PM at the Middletown Fire Hall.

The purpose of the workshop is to update the public on overall project activities since the March 2009 workshop, including presentation of items such as:

- Detailed design plans (US 301 mainline – semi-final plans / Spur Road - preliminary plans)
- Update of environmental impacts and environmental / community mitigation information
- A number of additional design refinements, including:
 - The need to close Hyetts Corner Road during construction
 - Consolidation of US 13 / Port Penn Road / Toll Free Ramp Intersection
 - The intersection of Summit Bridge Road and Armstrong Corner Road to accommodate the interchange with the new US 301
 - Churchtown Road Overpass of Spur Road / Access to Tidewater Utility / Maintenance of Traffic during construction
- Emergency Access Needs
- Real Estate Acquisition Process
- Traffic and Funding Concept
- Path Forward / Next Steps

Members of the Project Team will be on hand at the Workshop to explain the information being presented, to listen to the public's ideas and answer questions. Interested persons are invited to submit comments on the US 301 Project. Comments will be received during the Workshop, via email to dotpr@state.de.us, or can be mailed to DelDOT Public Relations, PO Box 778, Dover, Delaware 19903. **Comments are due by September 16, 2011.**

Comments received from the public, along with those from the Environmental Resource and Regulatory Agencies, will be considered by DelDOT and included in the Design Refinements Report to be submitted to FHWA.

The Workshop location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter, is requested to contact DelDOT by phone or mail a week in advance. Si necesitas algún asistencia especial, o un traductor, por favor llame a DelDOT con una semana por adelantado.
