Unmanned Aerial Vehicle

Stay on the Nice List by following these rules:

- ✓ Educate yourself before takeoff.
- ✓ Register your aircraft before the first flight:
faa.gov/uas/registration
- ✓ Always fly below 400 ft.
- ✓ Maintain visual line of sight at all times.
- ✓ Do not fly over groups or close to people.
- ✓ Stay away from stadiums and special events.
- ✓ Avoid all manned aircraft in the sky.
- ✓ Do not fly within 5 miles of an airport unless you notify the manager or control tower.
- ✓ Do not fly in Delaware state parks without permission.
- ✓ Do not interfere with emergency operations.
- ✓ Fly for fun, not for profit.
- ✓ Avoid all restricted areas. Go here to find them:
faa.gov/uas/tfr/ OR airmap.io
