

RIGHT OF ENTRY
GENERAL GUIDELINES

Contract: _____

Parcel #: _____

Property Owner: _____

To determine if the Statutory Right of Entry is considered on a project, please answer the following questions.

1. Is there an existing public improvement to be repaired or replaced? (i.e. a road, a sidewalk, a trail)
Yes ☐ No ☐
2. Was the improvement originally publicly funded by the State of Delaware and/or has the improvement been maintained by the State of Delaware for the past 20 years?
Yes ☐ No ☐
3. Does the proposed repair/replacement of the improvement completely fall within the current footprint of the existing improvement?
Yes ☐ No ☐
4. Does any work/access outside of the existing improvement footprint include access/minor grading/ and/or seeding of surrounding areas?
Yes ☐ No, another improvement needed ☐
N/A, no work/access outside footprint ☐

If all the above have "Yes" response or N/A for #4, continue to the next two questions.

5. Does any of the proposed work outside of the existing improvement footprint include new work such as drainage, removal of other improvements, placement of new/replacement improvements?
Yes ☐ No ☐
6. Does any of the proposed work outside of the existing improvement footprint include private or commercial driveways/entrances?
Yes ☐ No ☐

If questions 1-4 are answered "Yes" (#4 can be answered N/A) and questions 5-6 are answered "No", then the Statutory Right of Entry can be considered.
