

# Delaware Department of Transportation Materials & Research

(302) 760-2400

## Pavement Core / Design Request Form:

Email all requests to: [DOT\\_PavementCores@delaware.gov](mailto:DOT_PavementCores@delaware.gov)

Copy Planning: [Subdivision@delaware.gov](mailto:Subdivision@delaware.gov)

### Provide a minimum of 30 days for completion of requests.

Core operations are dependent on weather, during seasons of inclement weather (freezing temperatures, rain, snow, etc.) the time for completion may be longer than 30 days.

Requests **must** include the following information:

-Subdivision/Entrance Name \_\_\_\_\_

-Road Name(s) \_\_\_\_\_

-County \_\_\_\_\_

-Requestor \_\_\_\_\_

-Requestor Contact Information: Email \_\_\_\_\_

Phone \_\_\_\_\_

-Description of the purpose of the investigation, for example:

Reuse Existing Shoulder as Turn Lane

Reuse Existing Shoulder as Through Lane

Verify existing lane will hold increased traffic

Reuse existing turn lane as through lane

Verify existing turn lane suitable for new traffic movements

Etc.

-Site traffic \_\_\_\_\_

Aerial Map of location showing limits and areas in question

Construction Plans (if available)
