

DelDOT – Development Coordination

Email Blast

Subject:

2023 Traffic Volumes & Updated Website Documents

Notice Date:

June 21, 2024

Notice

Effective June 24, 2024, all Traffic Generation Diagrams, Traffic Impact Studies (TIS), and Traffic Operational Analyses (TOA) for which a Pre-Submittal Meeting or TIS/TOA Scoping Meeting request was not previously submitted and accepted prior to this date, shall utilize traffic volumes provided within the [2023 Vehicle Volume Summary](#).

The following documents have been updated to reflect the changes and will be available on the [Development Coordination webpage](#):

1. Auxiliary Lane Worksheet - to correspond with the K and D factors provided within the [2023 Vehicle Volume Summary](#).
2. Traffic Generation Example - to provide guidance on the current methodology utilized to develop a Traffic Generation Diagram.

If you have any questions, please contact the Development Coordination Section at (302) 760-2266 or via email at Subdivision@Delaware.gov.
