Subject:

2024 Traffic Volumes & Updated Auxiliary Lane Worksheet

Notice Date:

June 20, 2025

Notice

Effective **June 23, 2025**, all new Traffic Generation Diagrams (TGD), Traffic Impact Studies (TIS), and Traffic Operational Analyses (TOA) must utilize traffic volumes from the [2024 Vehicle Volume Summary](#), unless a Pre-Submittal Meeting or TIS/TOA Scoping Meeting request was submitted and accepted prior to this date.

The following document has been updated to reflect this change and is available on the [Development Coordination webpage](#):

- **Auxiliary Lane Worksheet** – Updated to align with the K and D factors provided in the 2024 Vehicle Volume Summary.

All Pre-submittal Meeting Requests submitted on or after June 23, 2025 must include a copy of the updated worksheet.

If you have any questions, please contact the Development Coordination Section at (302) 760-2266 or via email at Subdivision@Delaware.gov.
