Subject:

Propane Service within Subdivisions Memorandum

Notice Date:

07/11/25

Notice

Propane Service within Subdivisions Memorandum:

1. DelDOT has issued new guidance regarding the installation of residential propane distribution systems within subdivisions, as outlined within the [Propane Service within Subdivisions Memorandum](#). The full memorandum is available on the [Development Coordination webpage](#).
2. This guidance is effective immediately and applies to all projects currently under review and/or pending approval.
