

DelDOT – Development Coordination Email Blast

Subject:

2025 Traffic Volumes & Updated Auxiliary Lane Worksheet

Notice Date:

May 11, 2026

Notice

Effective **May 18, 2026**, all new Traffic Generation Diagrams (TGD), Traffic Impact Studies (TIS), and Traffic Operational Analyses (TOA) must utilize traffic volumes from the [2025 Vehicle Volume Summary](#), unless a Pre-Submittal Meeting or TIS/TOA Scoping Meeting request was submitted and accepted prior to this date.

The following document has been updated to reflect this change and is available on the [Development Coordination webpage](#):

- **Auxiliary Lane Worksheet** – Updated to align with the K and D factors provided in the 2025 Vehicle Volume Summary.

All Pre-submittal Meeting Requests submitted on or after May 18, 2026 must include a copy of the updated worksheet.

If you have any questions, please contact the Development Coordination Section at (302) 760-2266 or via email at Subdivision@Delaware.gov.
