- Who is eligible to use it?
- Who administers the TIIF process?

# Transportation Infrastructure Investment Fund (TIIF)

- What type of infrastructure is eligible?
- Where can I get an application?
- How do I receive the funds?

- Conflict with County/Municipality requirements.
- Enforcement concerns.
- Simplify DeIDOT obligations on one plan sheet.

# Design Criteria & Design Deviation Forms

- Reduce submissions
- Get buy in up front on requirements and items discussed at pre-submittal meeting
- Understand what the requirements are before design begins, before submissions are made
- Reduce re-design
- Needs clear engineering reasons to support a deviation
