

Delaware Bridge Design Competition

Getting started with Autodesk:

Autodesk provides students and educators with a free renewable one-year educational access to their products and services after confirming eligibility.

First, navigate to <https://www.autodesk.com/education/home> and click **Select product** to see all available products to download.

Free Autodesk education access for students

Get started this back to school season

OPTION ONE

Request or renew access

Sign up by choosing the product you need, selecting the student plan, and providing a school-issued email address for verification.

Select product

OPTION TWO

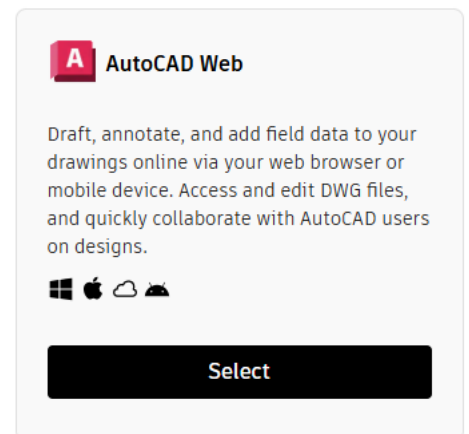

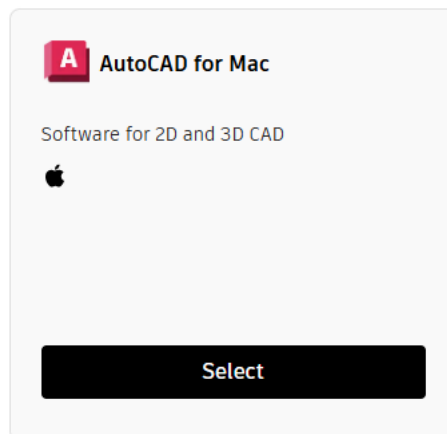

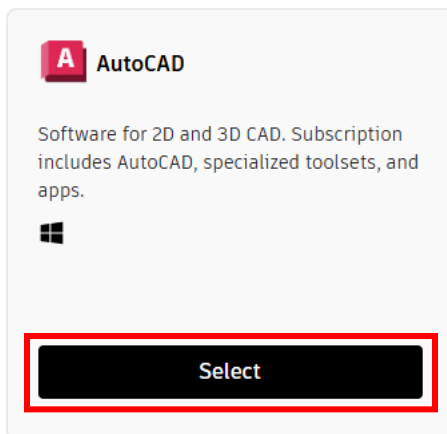

Invited by teacher or school

Check your school-provided email inbox for an invitation from Autodesk. Or try signing in with your school-provided email address.

Sign in

Sign Up and Software Download:

- Click **Select** on any of the suggested software below to sign up and begin downloading the product
 - AutoCAD**: Compatible with Windows and Mac but Mac users must download “AutoCAD for Mac” to use the software. AutoCAD Web is cloud based and is compatible with Windows and Mac. Does not require a 3D model to create a 2D drawing; users can go straight into creating a 2D drawing
 - Fusion 360**: Compatible with Windows and Mac systems. Requires users to create a 3D model before creating a 2D drawing

- Select the plan that represents your educational role
 - If you are a student, click **Select** under Student

- Then click **Continue** to verify that you are a student
