

AAA: Educating the Driver for a Lifetime

BETTER TOGETHER

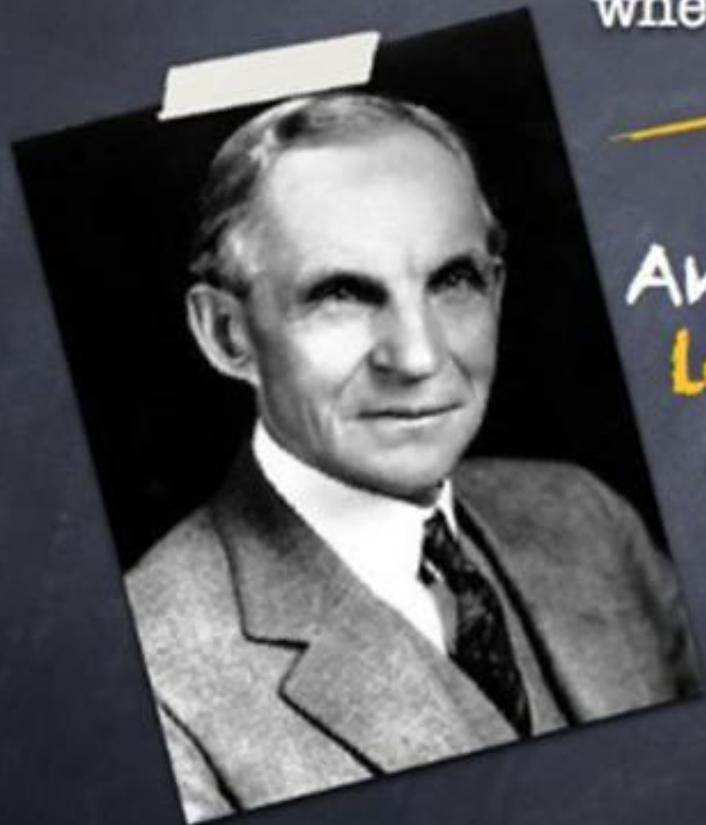

Dawn Brooks

Manager, Driver Education

September 2025

Anyone who stops
learning is old,
whether at twenty or eighty.

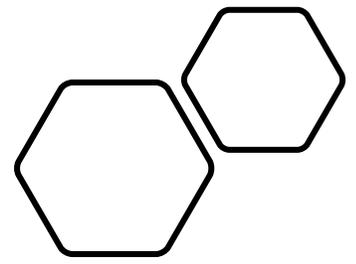

Anyone who **keeps**
learning stays young.

The greatest thing in life is to
keep your mind young.

~ Henry Ford

WHAT YOU
KNOW**

AAA Can Support You Throughout Your Driving Career

- Whether you're a new driver preparing to hit the open road, or a motorist looking to stay sharp and safe, trust AAA.
- AAA Driver Education and Training offers a variety of driver education solutions that promote safe, responsible driving.
- Our courses meet DMV and court requirements, and can even earn you insurance discounts or point reduction.

The Lifecycle of the Driver

AAA has Driver Training Programs that can support you as you progress through your driving career.

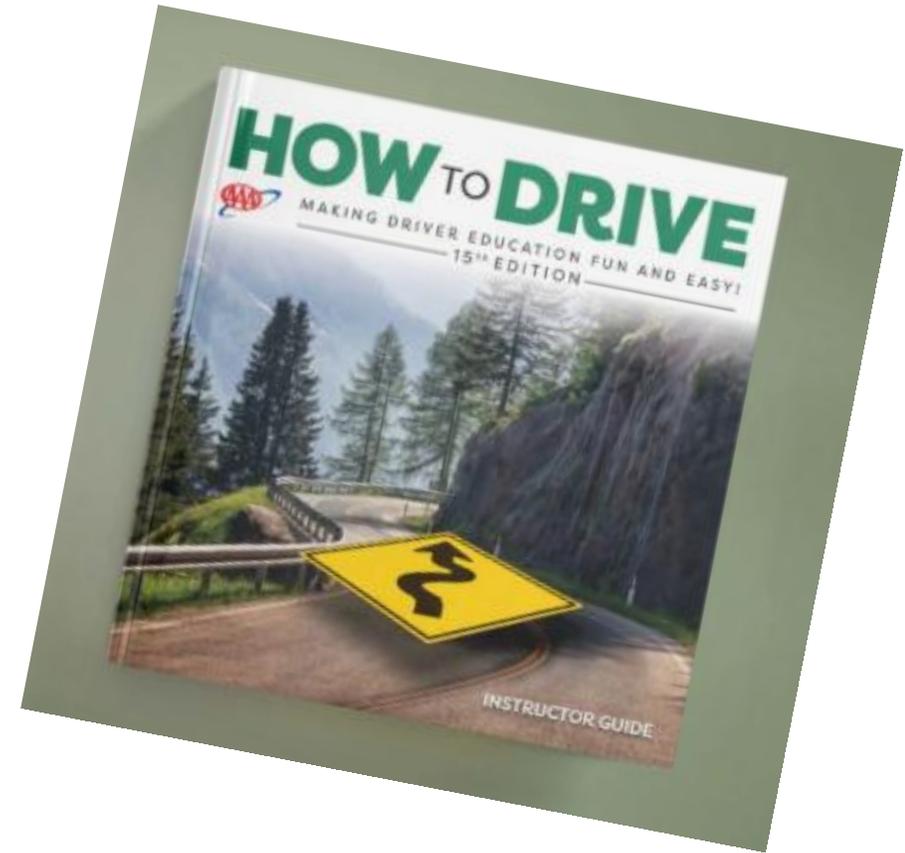

AAA How to Drive Novice Driver's Education

How to Drive is a program for novice driver's that delivers essential elements of safe driving in an interactive and innovative way.

Aims to ensure that safe driving habits are developed and maintained for life.

Contains research-based content provided by our AAA Foundation for Safety and Education, the National Highway Safety Administration, and the Governors Highway Safety Association. The preferred curriculum by ADTSEA.

Available for both in-person and online delivery.

AAA How to Drive Novice Driver's Education

Course Content Includes

- How to recognize and manage risk
- Getting acquainted with the vehicle
- Basic vehicle operation and rules of the road
- Managing visibility, speed, and space
- The dangers of distractions, emotional and impaired driving
- The importance of occupant protection and its proper use
- Adverse conditions and driving emergencies

AAA Defensive Driving/Driver Improvement

The Defensive Driving course serves as a teaching tool and a reminder to experienced drivers on how to continue to improve their skills, reduce risk and learn new concepts, rules of the road, and vehicle technology.

The course is nationally-recognized is used all over the country, as well as by the U.S. Armed Forces, various State Departments of Transportation, and Police.

Engaging content that includes videos, animations, puzzles, and games make the course interesting and help you retain the information.

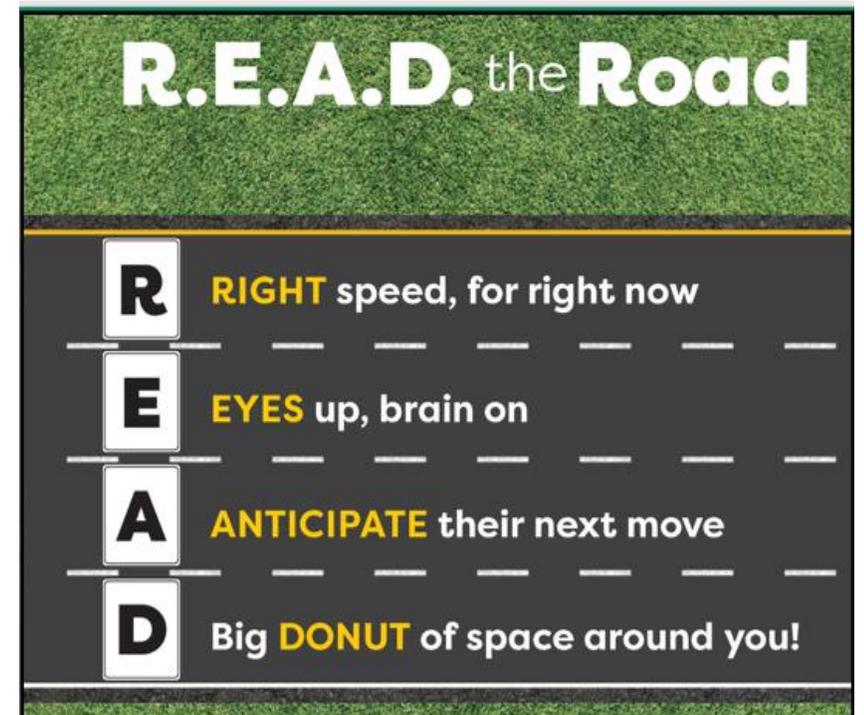

Available both for in-person and online delivery.

AAA Defensive Driving

Learn How to “Read the Road”
