

### **Attendees**

|                                      |        |
|--------------------------------------|--------|
| Chip Kneavel, Chair                  | DelDOT |
| Helen Arthur                         | DHSS   |
| Cynthia Cavett (for Richard Klepner) | OHS    |
| Lt. Tracy L Condon                   | DSP    |
| Ken Grant                            | AAA    |
| Linda Osiecki                        | DelDOT |
| Marvin Pedigo                        | DelDOT |
| Michael Wagner                       | DOE    |

### **Member Absent**

|                      |         |
|----------------------|---------|
| Peter Haag, Co-Chair | DelDOT  |
| Louie Phillips       | AHA     |
| Amy Wilburn          | Citizen |

### **DelDOT Support Staff**

|                |                  |
|----------------|------------------|
| Maria Andaya   | DelDOT           |
| Farzana Atique | McCormick Taylor |

### **Guests**

|                 |                                      |
|-----------------|--------------------------------------|
| Janine Kleimo   | Dover Interfaith Mission for Housing |
| Kashif Williams | DHSS/DSU                             |

## **I. CALL TO ORDER**

The meeting was called to order at 1:35 PM by Chair Chip Kneavel.

## **II. APPROVAL OF January 14, 2019 MEETING MINUTES**

Upon the motion of Mr. Grant and seconded by Mr. Wagner, the subcommittee approved the minutes from the January 14th meeting.

## **III. PEDESTRIAN DEATH REGISTRY**

Ms. Andaya showed the group the Nashville Pedestrian Death Registry which is an interactive web-based map that shows where pedestrians died and also includes some narrative about the deceased. The purpose of this project is to shift the narrative toward the human faces behind these tragedies. This project is in partnership among Vanderbilt Medical Center, Tennessee State University, The Sidewalk Foundation and Walk Bike Nashville. Ms. Andaya asked if this is something that Delaware could benefit from? If yes, what organizations could potentially lead it and where should the project reside? Mr. Wagner suggested adding a fourth question regarding consequence of having such a website.

Ms. Andaya will look into this further. She will also do a presentation before the Pedestrian Council.

## **IV. REFLECTIVE STRIPS**

Mr. Kneavel presented an estimate to the group for purchasing 3M Stick-On Reflective Strips. To purchase 2000 pcs will cost \$5580 (\$2.79/pc). The group will ask the Council for funding.

**V. DISCUSSION WITH JEANINE KLEIMO, DOVER INTERFAITH MISSION FOR HOUSING**

Ms. Kleimo is the Chair of the Dover Interfaith Mission for Housing. They cater to homeless men. Right now they have 34 beds and have been in the Forest Street location for 11 years now. They handle about 400 to 500 cases per year and their average turnover of 50 days.

They help their tenants find employment. Having a mailing address is needed for their benefits and employment. Their tenants don't have transportation and rely on walking and transit to get around. Sometimes the center receives donation of bicycles and that is helpful.

Ms. Kleimo said they would welcome any pedestrian information event and materials to educate their tenants on how to become safe pedestrians.

Lt. Condon suggested partnership with homeless shelters like Dover Interfaith Mission and doing something in October. The group will look into this further.

**VIII. ADJOURN.** Meeting was adjourned at 3:00 pm. A doodle poll will be sent out for the next meeting.
