EXERCISES

EXERCISE 1a: LOGIN TO WEB VIEWER

The first step in getting started with the Web Viewer is logging in.

STEP 1: START THE NPDES WEB VIEWER AND REQUEST ACCESS

Start the *NPDES Web Viewer* by opening a modern browser (*Chrome, Firefox, Edge*) and typing the following URL: <https://newarkgis.kci.com/deldotwebviewer/index.html#login>

The Web Viewer login splash screen will load.

If you have previously created an account and have received module access, proceed to STEP 2.

Otherwise, click *Create Account*.

Type in your email address, password, first name, and company or group.

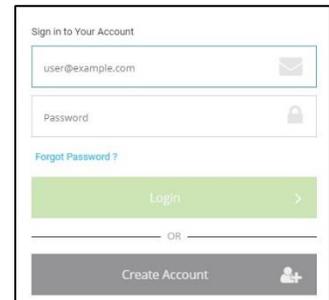

Select the most applicable user group from the available drop-down list.

Click *Signup*.

Login to your email account and follow instructions in message from **DeIDOT Web Admin <DeIDOTSync@kci.com>** to confirm account.

Login to Web Viewer and click *Request Module Access* button next to NPDES Web Viewer v3.0. 

After administrator has approved your request, proceed to STEP 2.

STEP 2: LOGIN TO WEB VIEWER

- Type in your username (it should be your email address).
- Type in your password.
- Click the *Login* button. The *NPDES Web Viewer* will load.
