FOR PROJECT INFORMATION, FOLLOW THE ABOVE LINK, SELECT "INFORMATION" ON THE LEFT SIDE MENU, THEN SELECT "ACTIVE PROJECTS".

The Delaware Department of Transportation (DelDOT) will be presenting a Virtual Workshop for proposed pedestrian improvements as well as other safety and enhancement measures within the Route 9 (New Castle Avenue) Corridor south of Wilmington City Limits, New Castle County, Delaware. Locations have been identified (at right). ***This effort will also be recorded and posted later with the materials.***

The Department is seeking public input and feedback to the proposed improvements. Participants are encouraged to visit the above project website prior to and after the Virtual Workshop to view the project information, presentation materials, complete a feedback survey/public comment form, and get contact information. **Comments will be accepted until October 20, 2020**, either online or in writing and mailed to DelDOT Community Relations at the address listed below.

This Virtual Workshop is accessible to persons with disabilities. Persons who require auxiliary aids and services such as qualified interpreters are requested to contact DelDOT by phone or mail at least one week in advance.

For further information contact DelDOT Community Relations at the phone numbers listed below, write to the below address, or via email to [dotpr@delaware.gov](mailto:dotpr@delaware.gov).
