Dear Mr. Weiser:

Thank you for your letter of November 1, 2016 requesting approval to use intersection bicycle boxes statewide in Delaware on State roadways only. Local jurisdictions will need to request approval on an individual basis. Your request was made under the provisions of Section 1A.10 in the 2009 edition of the *Manual on Uniform Traffic Control Devices for Streets and Highways* (MUTCD) and our Interim Approval memorandum (IA-18) dated October 12, 2016 for the optional use of intersection bicycle boxes.

Your request is approved. Please maintain and periodically update a list of all locations where intersection bicycle boxes are installed in Delaware. Your specific approval has been numbered "IA-18.07 – Intersection Bicycle Boxes – Delaware DOT." Please reference this number in any future correspondence.

Thank you for your interest in improving highway safety. If we can be of further assistance on this matter, please contact Mr. David Kirschner at david.kirschner@dot.gov.

Sincerely yours,

Mark R. Kehrli
Director, Office of Transportation Operations
