Property Management Section

17 Delaware Code, Chapter 1, §137(b)(11) requires that the Department of Transportation provide the Governor and General Assembly each year a report identifying properties being held for projects, properties deemed surplus, and all excess properties disposed of in the preceding twelve months.

Those activities are assembled in the following reports provided in accordance with the State law and are summarized as follows:

- **DelDOT Parcels Conveyed to the General Public**
There was 1 (one) parcel sold generating income of \$204,000.00
- **DelDOT Parcels Conveyed to Adjoining Owners due to Minimal Independent Utility**
There were 4 (four) parcels sold to an adjoining property owner generating income of \$241,350.00
- **DelDOT Parcels Conveyed to Towns or Civic Groups**
There were 0 (zero) parcels conveyed to a town or civic group

- **DelDOT Parcels Conveyed to Other State Agencies**
There were 3 (three) parcels conveyed to other state agencies through Custodial Resolution
- **DelDOT Surplus Disposition Report**
The report contains 4 (four) parcels
- **DelDOT Parcels Reserved for Projects**
There are 140 (one hundred and forty) areas of fee simple acquisitions that settled in 2019 containing 228.671 acres of land being reserved for projects, 0 (zero) purchases for DelDOT Facilities and 0 (zero) purchases through a Bond Bill.
There are 26 (twenty-six) parcels containing 457.02 acres of which the state purchased for projects, were unable to dispose of and are leased either short term or long term. These leases generated an annual income of \$327,463.22
