

Table of Contents

I. Introduction	1
A. Project Descriptions	1
1. State Bridge 503 over the Norfolk Southern Railroad/St. Anne's Church Road	1
2. Levels Road Culvert	5
II. Background Research.....	12
A. Soils and Geology	12
B. Cultural Background and Archaeological Potential.....	14
III. Geomorphological Evaluation	19
IV. Summary and Conclusions	20
A. State Bridge 503 over the Norfolk Southern Railroad/St. Anne's Church Road	20
B. Levels Road Culvert.....	21
V. References.....	22
