

TABLE OF CONTENTS

	Page
Abstract	i
List of Tables, Figures, Plates, Appendices & Attachments	iii
Introduction	1
Background Information	3
Environmental Setting	3
Regional Prehistory	7
Regional History	11
Existing Data Base	17
Prehistoric Archaeological Sites	17
Historic Standing Structures and Associated Archaeological Remains	18
Cultural Context and Data Quality	25
Predictive Models	52
Predictive Models and Prehistoric Archaeological Sites	52
Predictive Models and Historic Archaeological Sites	102
Management Considerations	113
General Site Significance Issues	114
Prehistoric Site Significance	114
Historic Site Significance	125
Management Units	126
Management Strategies and Recommendations for Future Work ..	130
References Cited	138
Maps Consulted	147
Personnel	148

LIST OF TABLES

	Page
Table 1: Delaware Cultural Complexes	20
Table 2: Diagnostic Artifacts of Cultural Complexes	21
Table 3: Summary of Known Prehistoric Sites	25
Table 4: Woodland I Site Summary	32
Table 5: Woodland II Site Summary	35
Table 6: Summary of Known Historic Sites - New Castle County	36
Table 7: Summary of Known Historic Sites - Kent County	40
Table 8: Paleo-Indian Site Locations	59
Table 9: Archaic Site Locations and Study Units	60
Table 10: Woodland I Site Locations and Study Units	68
Table 11: Woodland II Site Locations and Study Units	75
Table 12: Variables Used in LANDSAT Classification	87
Table 13: Test Data in Varied Probability Classes	90
Table 14: Summary of Prehistoric Components by Probability Zones ..	101
Table 15: Delaware Management Zones	117
Table 16: Delaware Sensitivity Zones and Management Zones	118
Table 17: Site Probabilities and Data Quality - Interior Management Unit	119
Table 18: Site Probabilities and Data Quality - Mid-Peninsular Drainage Divide Unit	120
Table 19: Site Probabilities and Data Quality - Mid-Drainage Unit	121
Table 20: Site Probabilities and Data Quality - Coastal Unit	122
Table 21: Potential National Register Eligible Prehistoric Sites	124
Table 22: Criteria for Evaluating the Archaeological Potential of Historic Structures	127
Table 23: Management Zones	129
Table 24: Levels of Field Investigation by Prehistoric Site Types	134

LIST OF FIGURES

	Page
Figure 1: Study Area Location	vii
Figure 2: Environmental Zones	4
Figure 3: Locations of Previous Studies	19
Figure 4: Bay/Basin Locale	28
Figure 5: Paleo-Indian Site Location Model	57
Figure 6: Serial Settlement/Lithic Utilization Model	58
Figure 7: Archaic Study Units and Project Area	61
Figure 8: General Archaic Site Model	62
Figure 9: Delaware Shore Model of Archaic Site Locations	63
Figure 10: Swamp/Marsh Zone Model of Archaic Site Locations	64
Figure 11: Bay/Basin Zone Model of Archaic Site Locations	65
Figure 12: Woodland I Study Units and Project Area	67
Figure 13: General Woodland I Site Model	69
Figure 14: Swamp/Marsh Zone Model of Woodland I Site Locations	70
Figure 15: Major Drainage/Mid-Drainage Zone Model of Woodland I Site Locations	71
Figure 16: Coastal Zone Model of Woodland I Site Locations	72
Figure 17: Delmarva Adena Complex Settlement Model	73
Figure 18: Webb Complex Settlement Model	74
Figure 19: Woodland II Study Units and Project Area	77
Figure 20: Woodland II Settlement Model - Slaughter Creek Complex	78
Figure 21: Woodland II Settlement Model - Minguannan Complex	79
Figure 22: Mortuary/Exchange Center Model	95
Figure 23: Webb Complex Mortuary/Exchange Center Model	99
Figure 24: Delaware Prehistoric Composite Sensitivity Zones	115
Figure 25: Delaware Prehistoric Management Zones	116
Figure 26: Composite of Cultural Resources	128
Figure 27: Hundreds Map of New Castle and Kent Counties	159

LIST OF PLATES

	Page
Plate 1: Typical Bay/Basin Features	30
Plate 2: Hell Island National Register Site	33
Plate 3: Typical High and Medium Probability Zones - Leipsic Drainage	88
Plate 4: Typical High and Medium Probability Zones - Leipsic Drainage	89
Plate 5: Known Sites and Probability Zones - Appoquinimink Drainage	91
Plate 6: Projected Adena Mortuary/Exchange Site	97
Plate 7: Projected Webb Complex Mortuary/Exchange Site	98
Plate 8: Study Corridor and Known Sites - Little Creek Area	131
Plate 9: Study Corridor and Known Sites - Frederica Area	132

LIST OF APPENDICES

Appendix I: Prehistoric Archaeological Site Data	149
Appendix II: Standing Structure Site Data from BAHP Files	156
Appendix III: Historic Archaeological Resources Data	190
Appendix IV: Prehistoric Settlement Pattern Analysis	216
Appendix V: Research Proposal	222
Appendix VI: Guide to Attachment V	228
Appendix VII: Guide to Attachment VI	233
Appendix VIII: Guide to Attachment VII	235
Appendix IX: Notes on Site Numbers	237
