Timing of the Road

- **Given the pace of development, if we don't act now, this badly needed road will never happen.**
- **The community needs to be involved in this decision – DeIDOT cannot just tell us what it is going to do.**
- **Do it right the first time – don't build a road that is too small or in the wrong location.**

Neighborhood / Community Concerns

- **Will this road add to traffic problems on US 13?**
- **What is the purpose of this road – what traffic will it serve and how will it impact the surrounding communities?**
- **Any solution needs to decrease, not increase, truck traffic through neighborhoods.**
- **We need improved pedestrian access to schools, parks and neighborhoods – specifically, we want to be able to walk or bike safely between Brecknock Park and Schutte Park.**
- **Whatever you do, don't add traffic to Route 10!**
- **Many residents are concerned about current flooding issues and the impact of a new road.**
- **New Burton Road needs to be improved with shoulders, crosswalks, etc.**
- **"A Livable Delaware initiative should not make our neighborhoods unlivable."**
