

Transportation and Environmental Coordination

As part of its commitment to protect the environment and minimize impacts to natural and cultural resources, DeIDOT is coordinating with a number of environmental resource and other agencies, including:

- Environmental Protection Agency (EPA)
- US Army Corp of Engineers
- US Fish and Wildlife Service
- Department of Natural Resources and Environmental Control (DNREC)
- Federal Highway Administration (FHWA)
- National Marine Fisheries
- State Historic Preservation Office (SHPO)
- Delaware Department of Agriculture

Agencies review at these points in the process:

- Purpose and Need Documentation
- Alternatives Development and Evaluation
- Alternatives Retained for Detailed Study
- Draft Environmental Document
