PUBLIC WORKSHOP

West Dover Connector Saulsbury Road Extension

Wednesday, January 11, 2006

Modern Maturity Center, East Longwood Ballroom

1121 Forrest Avenue, Dover, DE

4:00 - 7:00 p.m.

Snow Date: Wednesday, February 1, 2006

The Delaware Department of Transportation (DelDOT) will hold a Public Workshop to discuss the potential extension of Saulsbury Road in a southerly direction from its intersection with North Street. The third public workshop for this project, also known as West Dover Connector, will be held on Wednesday, January 11, 2006 at the Modern Maturity Center, East Longwood Ballroom, 1121 Forrest Avenue (Rt. 8), Dover, DE. Interested members of the public are invited to attend at any time between 4:00 p.m. to 7:00 p.m.

At the workshop the public will be able to review and discuss the West Dover Connector alternatives retained for detailed study. Information will be available on next steps and how the public can stay involved as this project moves forward.

The retained alternatives have the potential to affect environmental, historic and/or archeological, community and other resources. The Department's detailed studies will be evaluating impacts on these resources, including opportunities for avoidance, minimization and mitigation.

Interested persons are invited to express their views on the proposed project. Comments will be received during the workshop or can be mailed to DelDOT Public Relations, PO Box 778, Dover, DE 19903 through February 15, 2006.

This location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance.

For further information contact Public Relations at 1-800-652-5600 (in DE) or 302-760-2080, or write to the above address.
