

## Public Workshop – February 7, 2018

**Welcome** to the Kenton Road and Chestnut Grove Road Intersection Alternatives Workshop. The goal of this workshop is to review the proposed alternatives for the improvements at Chestnut Grove Road as part of the DeIDOT K104, Kenton Road, SR8 to Chestnut Grove Road Project.

The Alternatives presented tonight are consistent with the Department of Transportation's Mission Statement and is the result of on-going proactive initiatives by the Department and the Dover/Kent MPO to enhance safety and mobility along Delaware's roadways.

Please review the displays and talk with a project team member to discuss any questions you may have in regards to the proposed improvements. Thank you for your overall interest in the K104, Kenton Road, SR8 to Chestnut Grove Road Project.

## Thank You!

Thank you for taking time to review the information presented tonight.

Written comment forms are available. Leave the form in the comment box or mail/email it to DeIDOT before March 7, 2018. Your comments are important to us and will be considered along with comments from government and regulatory agencies. Safety and operational requirements will also be taken into account. Therefore, while all comments are considered, not all comments will be incorporated into the project.
