

## Pedestrian and Bicycle Issues

### ■ Existing Facilities

- Sidewalks only along Marsh Road from Carr Road to SB I-95 Ramps in project area. Pedestrians use shoulder outside this area.
- Existing sidewalk along southbound Marsh Road has a gap between the end of the sidewalk and the bus stop at the Park and Ride.
- Bringhurst Woods has internal trail with Marsh Road crossing 300 feet south of Carr Road intersection
- Existing curb ramps do not meet ADA requirements.
- No marked bicycle facilities along roads within the project area.
