

US 113 Millsboro-South Area Public Hearing

Tuesday, February 7, 2017 • 4:00 PM to 8:00 PM

The Delaware Department of Transportation (DelDOT) and the Federal Highway Administration (FHWA) will conduct a public hearing for the US 113 North/South Study, Millsboro-South Area. The purpose of the hearing is to update the public on the activities that have occurred since the October 14, 2015 public workshop and provide the public with an opportunity to comment on the Supplemental Draft Environmental Impact Statement (SDEIS). If the public hearing is canceled due to inclement weather, the alternate weather date will be Thursday, February 9, 2017.

Hearing schedule

4:00 PM to 6:00 PM

- Review the preferred alternative display maps and display boards with project information
- Review the draft SDEIS – visit the project website at www.deldot.gov/information/projects/US113 for more information
- Interact with and ask questions of the DelDOT project team
- Provide testimony to a stenographer

6:00 PM to 8:00 PM

- Provide public testimony – there will be a sign-up sheet at the hearing for those who want to testify and people will be called in the order they registered
- Review the display materials
- Provide testimony to a stenographer

*Comment forms will be available for written comments and comments can also be submitted via the project website. The comment period will end on **February 28, 2017**.*

US 113 PUBLIC HEARING

MILLSBORO-SOUTH AREA

Millsboro Town Center
322 Wilson Highway
Millsboro, DE 19966

The highlighted areas on the map show roadway improvements associated with the preferred alternative and include some changes requested at the October 2015 workshop. There will be a new two-lane SR 24 connector and widening along existing US 113 from Millsboro to Dagsboro.
