

US 113 North/South Study

Contract # 22 – 127-01

Millsboro-South Area

Public Workshop

Monday, May 24, 2010
4:00 PM to 7:00 PM

DelDOT has preliminarily identified the Blue Alternative as its Recommended Preferred Alternative for the Millsboro-South Area. The Blue Alternative consists of a long eastern bypass of Millsboro, Dagsboro and Frankford and on-alignment improvements through Selbyville.

Please review the information available this evening. Should you have any questions, please ask a Project Team member. Thank you for your input on the Project.

We invite your comments:

1. Do you have comments on DelDOT's preliminary Recommended Preferred Blue Alternative consisting of the longest eastern bypass of Millsboro, Dagsboro and Frankford and on-alignment improvements through Selbyville?

2. Do you have any comments regarding other alternatives?

Red East Bypass _____

Yellow On-alignment Alternative through Millsboro, Dagsboro, Frankford _____

Purple West Bypass _____

Comments continued...

Green West Bypass _____

No-build _____

3. Do you have any other comments or concerns?

Your comments and opinions are very important. DeIDOT will carefully review all information provided on this form. Under state law, this form is public domain, and if requested, a copy of it must be provided to the media or public. Thank you for your participation and contributions to this important transportation project.
