

Zoar Road, Speedway Road and Bethesda Road Intersection Improvements

Next Steps

- Following this workshop, a preferred alternative will be selected and the project will move forward:
 - Concept design will be complete by November 2008
 - Final design will be complete by January 2011
 - Construction may begin in fall of 2011
(Pending construction funding)

Thank You!

We thank you for taking the time to review tonight's materials and for participating in the workshop.

Your insights and suggestions are valuable and greatly appreciated. Your comments will be considered as we move forward with design.

Please complete the comment form to stay informed about future public workshops for the project.
