State of Delaware

TO THE OWNER: The State of DELAWARE has initiated an Electronic Red Light Safety Program (ERLSP), as allowed by State law, in an effort to reduce accidents, injuries and deaths caused by red light violations. This Notice of Civil Violation was issued to you because the ERLSP recorded your vehicle as it failed to stop for a red traffic signal. The intersection location, direction of travel, and the date and time of the violation are listed on the front. Also included are images of your vehicle as it entered the intersection after the traffic signal had turned red. The images are based on digital evidence recorded at the time of the violation. You have been identified as the registered owner, lessee or renter of the vehicle described in this Notice of Civil Violation.

NO POINTS will be assessed for this violation, nor will it be used for insurance purposes. Failure to respond to this Notice of Civil Violation may result in the denial of registration of the vehicle pictured.

YOU HAVE THREE OPTIONS

1. PAY THE AMOUNT DUE: You may avoid going to court by completing the "PAYMENT/WAIVER OF HEARING" section below and sending a check or money order for the correct amount due, as noted in the 'Fine Remittance Form' on the front of the Notice. You may also pay on-line at: http://www.deldot.net/static/projects/red\_light. Checks or money order must be made payable to ERLSP, by or before the Response Date, as noted under 'Response Information on the front of this Notice. To ensure proper credit, print the Civil Violation Number on your payment and use the envelope provided. If a check is returned for insufficient funds a \$25 return check fee will be incurred.

DO NOT SEND CASH.

LATE PAYMENTS: An additional \$10 charge is due if an uncontested Notice of Civil Violation is not paid within 30 days of the Mailing Date. This is increased to \$20 if not paid within 60 days, and to \$30 if the Notice of Civil Violation is not paid within 90 days.

2. IF YOU WERE NOT THE DRIVER, FILE AN AFFIDAVIT NAMING THE DRIVER: You may avoid payment of this assessment by completing the AFFIDAVIT section below stating that you were not the driver and providing the name of the person who had custody of the vehicle at the time of the violation. If you do not know the name and address of the person who had custody of the vehicle because it was stolen, or if the plates were stolen, you must include a certified copy of the police report showing that the vehicle or license plates were reported/logged as stolen prior to the time of the alleged violation.

3. TO CONTEST THIS NOTICE OF CIVIL VIOLATION IN COURT: You should complete the NOTICE OF INTENT TO CONTEST section below. Court costs of \$30 will be charged, in addition to the amount listed on this Notice of Civil Violation, if you are found responsible for the offense. NOTE: The ERLSP program enables DMV to deny a vehicle's registration renewal when the registration record has been "flagged" for a red light violation. Registration "flagging" is a direct result of a vehicle owner being delinquent in paying the civil assessment indicated on the Notice. Vehicle owners should therefore ensure all Notices of Civil Violation for red light offenses are paid before attempting to register a cited vehicle at DMV.
