

DBE in the Spotlight Adrian Jaquez Trucking LLC

Adrian Jaquez Trucking LLC is a Delaware DBE certified firm based in northern Delaware providing dump truck hauling services. The firm's capabilities include hauling broken concrete and asphalt, hot mix, dirt, and other materials.

Adrian Jaquez founded his company approximately one year ago. Since then, he is proud to have had the opportunity to work on several projects including Restore the Corridor, Elkton Road, and the DRBA airport.

As an owner/operator, Mr. Jaquez's professional goal is to continue building his business which includes the purchase of an additional truck. He is looking forward to partnering with any prime in need of his services. Mr. Jaquez wants future business partners to know he is always on time to the jobsite and will give 110%.
