Public Workshop

T202400505 Railroad Crossing Elimination (RCE) Planning Study : Centerville Road

**Thursday, July 23, 2026
4:00 p.m. – 7:00 p.m.**

**Troop 6 Community Room
3301 Kirkwood Highway
Wilmington, DE 19808**

The Delaware Department of Transportation (DelDOT) is holding a public workshop to solicit public input on the alternatives being considered for the RCE Planning Study for Centerville Road at the railroad crossing in the Prices Corner area. The Public Workshop will be held on Thursday, July 23, 2026 in the Community Room at Delaware State Police: Troop 6 (3301 Kirkwood Highway, Wilmington, DE 19808). The public is invited to attend anytime between 4:00 p.m. and 7:00 p.m. Attendees will have an opportunity to review the proposed alternatives and provide comments to DelDOT representatives.

The **Centerville Road RCE Planning Study** is researching alternatives to potentially eliminate the CSX Transportation (CSXT) railroad crossing (DOT Crossing #140714A) on Centerville Road. This crossing is frequently blocked by railroad activities, which causes delays for the traveling public and first responders. The planning study aims to present alternatives that would improve safety and lessen traffic concerns in the area.

Interested persons are invited to express their views in writing, giving reasons for, or in opposition to, the proposed alternatives. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903 or sent via email to dotpublic@delaware.gov.

This location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance. Please contact DelDOT Community Relations at 1-800-652-5600 (in DE) or 302-760-2080 or write to the above address, or via email to dotpublic@delaware.gov.

You can keep up with the latest information on this planning study by visiting the project web site at the following link <https://deldot.gov/projects/Studies/centervilleRoadRailroadCrossing/> or scanning the following QR Code:
