## Online Virtual Public Workshop for US 9 (Kings Highway) from SR 1 to Freeman Highway

**Wednesday, February 23, 2022 4 p.m. to 6 p.m.**

DeIDOT is holding an online virtual public workshop on **Wednesday, February 23, 2022** to obtain public input on the proposed widening and intersection improvements along Kings Highway (US 9) to improve traffic operations and add additional capacity to accommodate future growth. Intersection improvements are proposed at the existing Kings Highway intersections with Dartmouth Drive, Clay Road, Gills Neck Road, and Freeman Highway as well as adding a new intersection between Gills Neck Road and Freeman Highway. The limits of the project are from SR 1 to Freeman Highway near Lewes, Sussex County.

The purpose of this workshop is to present the concept design and update the public on the upcoming design schedule. Display plans and project information will be provided for public review and comment.

A Zoom link will be available on the [project website](#). A presentation will begin at 4 p.m. followed by a live question and answer session with project team members. Online comment forms and a recording of the workshop will be available on the website following the workshop.

Public comments can be submitted via email to [dotpr@delaware.gov](mailto:dotpr@delaware.gov) and can also be mailed to DeIDOT Community Relations P.O. Box 778, Dover, DE 19903. All comments must be received by Friday, March 25, 2022.
