Your Update to the Five Points Transportation Study

Visit our Website

Dear Following Five Points reader,

Like all of you, we have been adjusting to life during the public health crisis created by COVID-19 (the Coronavirus). We are working to minimize disruptions to the Five Points Transportation Study and, as a DeIDOT project, following the guidance and policies of the State of Delaware to promote the health and safety of our staff and partners.

DeIDOT has many employees who interact with the public at different levels throughout the Department on a daily basis, therefore the following measures have been put into place to ensure your safety as the situation with the COVID-19 evolves. [Please click here for the latest COVID-19 news from DeIDOT.](#)

Five Points Project News and Updates

Upcoming April Working Group Meeting:

The Project Team is continuing to monitor the COVID-19 situation. If DeIDOT decides to hold this meeting on April 27th, as scheduled, the meeting will be held online/virtually. More information will be distributed and posted on the project website as the date approaches.

Save the Date:

We are still planning on holding the open house on May 18th from 4 p.m. to 6 p.m. However, due to the ongoing COVID-19 emergency, if needed, this open house may be conducted online/virtually. More information will be distributed and posted on the project website as the date approaches.

Updated Five Points Project Website is now LIVE:

We are pleased to announce that the [Five Points Transportation Study project website](#) has been updated to provide more project information and to improve the overall user experience. Check back regularly for project updates and upcoming meeting information.

Area Project Updates

Henlopen Transportation Improvement District (TID):

The **concept plans for the Henlopen TID** have been uploaded to the DeIDOT TID website.

[You can view the plans here.](#)

New Road Over Canary Creek Public Workshop:

The **public workshop** originally scheduled for Tuesday, March 24th has been **postponed**. DeIDOT believes that public outreach will be critical to the outcomes of this project therefore the public workshop will be rescheduled; a new date and time will be announced in the coming weeks.

Please stay safe! If you need additional information or have questions related to the Five Points Transportation Study, please contact:
