

Thank You!

We thank you for taking the time to review our materials for the US 113 North / South Study.

Your insights and suggestions are valuable and greatly appreciated. DelDOT will carefully consider all of your comments and looks forward to showing you the results of your input at future Public Workshops.

Next Steps

Through Community Input, Engineering & Environmental Studies and Consultation with the Resource Agencies, the Project Team anticipates the following:

- Begin Working Group Meetings
- Continue Engineering and Traffic Studies for the Development of Preliminary Alternatives
- Present Preliminary Alternatives to the Public and the Resource Agencies
