

US 113 North/South Study

Contract # 22-127-01

Public Workshop

Monday, June 13, 2005

4:00 PM to 7:00 PM

We are at an important point in the US 113 Study process. We need your recommendations on preliminary alternatives that should be retained for more detailed study or dropped from further consideration.

In responding to the following questions, you may want to review available handouts including:

- Tables comparing the impacts of the preliminary alternatives
- Georgetown Working Group recommendations regarding alternatives to be retained for more detailed study or dropped from further consideration.

Should you have any questions, please ask a project team member.

Comments

Your input is important - please respond to the following questions:

1. Which preliminary alternative(s) should be retained for detailed study?

2. Which preliminary alternative(s) should be dropped from further consideration?

continued

Comments continued...

3. Do you have additional comments regarding any of the preliminary alternatives?

4. Other comments?

Your comments and opinions are very important. All information provided on this form will be carefully reviewed by DelDOT. Under state law, this form is public domain, and if requested, a copy of it must be provided to the media or public. Thank you for your participation and contributions to this important transportation project.

☐ Please add my/our name(s) to the Project Mailing List.

☐ Please delete my/our name from the Project Mailing List.

Optional: Please provide your information:

Name: _____

Organization: _____

Address: _____
